

Muzzleloader Accuracy Requires Consistent Loading & Complete Cleaning

Chief's Has The Tools You Need

The USA allows the jag to spin freely while following the rifling for both loading and cleaning.

UNIVERSAL SPIN ADAPTER

USA & JAG™

Cloth Patch the Retriever

Standard cleaning patches don't reach into rifling grooves of the barrel like the Retriever does!

Unique, precision tool cleans rifling grooves inside the barrel.

Removes & collects the powder, plastic & lead standard cleaning leaves behind.
